Identify: Place, function, addressee, opinion, speaker, topic, content or feeling. Pay attention to the stress and intonation, the speed at which the speakers speak and/or their sex, role, age, manner, hesitation, etc. Listen for information which helps you to eliminate wrong options as well as identify correct ones.	Questions in both types of task follow the same sequence as the information heard on the recording. Between one and three words for each answer. You will not lose a mark for incorrect spelling.
