Turn sb/sth

into something

Make sb/sth

into something

Convert something

into something

Change sb/sth

into something

to change and become someone or something different, or to make someone or sth do this:

- The farmland is turning into a desert.
- They want to turn the offices into apartments.
- The sofa turns into a bed.
- The witch had turned them all into stone.
- You've turned into a real jerk since you became rich!

to change someone or something so that they become something else

- His first record made him into a star.
- The story was made into a film two years ago.
- They've made the spare room into an office.
- The grapes are made into wine.

to change from one system, use, or method to another, or to make something do this

- The hotel is going to be converted into a nursing home.
- What rate will I get if I convert my dollars into euros?
- The sofa converts into a bed.
- This program can convert WAV files into MP3s"

to make someone or something change or develop into something different

- At what point does boiling water change into vapour?
- His addiction changed him into a compulsive liar
- With a wave of her magic wand, she changed the frog into a handsome prince.

Transform someone/something **into** something

to make someone or something completely different, usually in a way that makes them better.

- They've transformed the old train station into a science museum.
- He seems to have been miraculously transformed into a first-class player.
