COMMON MISTAKES with until

I read **until** the third chapter.

I read **up to** the third chapter.

I read **as far as** the third chapter.

We commonly use “until” to talk about a time limit or endpoint.

The meeting went on **until** 6:30.

I watched **until** the end of the film.

To talk about distances, we use “up to”/“as far as”:

We walked **as far as** the lake. (as far as = not beyond)

To talk about quantity or numbers, we use “up to”:

The taxi can take **up to** five people.
