see something / see someone in a new light

(see) in a new light

If you **see something in a new light**, you view it in a different way that makes you change the opinion you had before.

As I listened to my colleague's explanation, I began to **see him in a new light**.

After we had a little discussion, I began to **see Fred in a new light**.

I can now **see the problem in a new light**.
